

***America Recycles Day Summit – Enhancing Materials Management  
Infrastructure  
Roundtable Discussion Webinar***

July 19, 2019, 3:00 PM – 4:30 PM Eastern

**Ex. 6 Personal Privacy – conference codes**

---

**Purpose:**

- Agree on Clearinghouse goal, approach, and leadership
- Discuss and review on-line tools
- Determine next steps for product development

**Agenda**

**10 min**

**Welcome, Introductions, and Agenda Review**

- EPA will welcome participants
- Participants will briefly introduce themselves
- The facilitator will review the agenda

**15 min**

**Overall Approach**

The Clearinghouse idea has been agreed to as the immediate action. We are building on work that is already underway by the U.S. Chamber of Commerce Foundation and they are willing to help lead this effort with additional partners moving forward.

1. Short presentation from the Chamber
2. Are we in agreement about the goal, approach, and leadership framework as discussed?

**50 min**

**Discuss Scope and Path Forward**

1. Who else is willing to play a role in development?
2. How can we close the funding gap for development of the clearinghouse?
3. What additional ideas or resources do we want to explore for populating the initial information?
4. What role is EPA able to play to help with this project?
5. How do we address that challenges of sustaining the site long term?

**15 min**

**Discuss Next Steps**

- Where do we want to be by the ARD Summit?
- Commitments and timeline moving forward
